

Mixa med fines

Ibland är det mer kraftfullt att vara försiktig. Vår Aerating Container är optimerad för finjustering av känsliga blandningar som emulsioner, kulinariskt skum, vispgräddor med mera. Från färsk citrusjuice till stora batcher skum, the disc blade gör det enkelt att skapa nya texturer i såväl kök som bar.

Smart Produktdesign

- Disc blade design creates dense and pourable culinary foam, flavored whipped cream, mousse, infusions, and emulsions with minimal splashing.
- BPA-Free Eastman® Tritan® copolyester and double-sealed bearings provide strength and durability.
- Provides the flexibility to blend at a variety of speed settings.
- Easily process high volumes and batch foams on demand.
- Compatible with The Quiet One®, Blending Station® Advance®, Vita-Prep®, and Vita-Prep® 3.

Aerating Container

Includes 32 oz. high-impact, clear container, complete with disc blade assembly and lid.

Made in the U.S.A. with a minimum of 70% U.S.A. content.
